Family Farm Day!

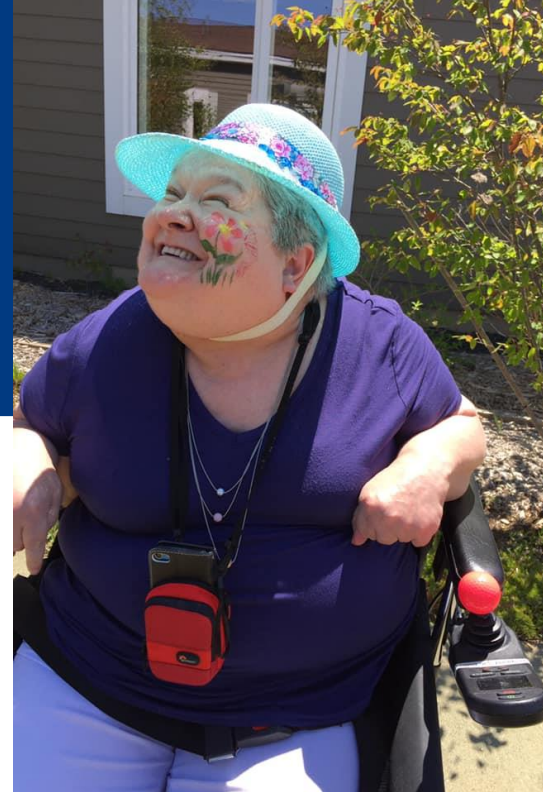

The community at Tideview Terrace recently celebrated summer with Family Farm Day, a major accomplishment involving over six families and individuals who donated their time to this special event. Residents and their families spent the day enjoying time with all the different animals, as well as delicious snacks from Louie's Carnival Treats and beautiful face painting from a member of the community.

“What a great time this was, mom enjoyed petting the animals. Thank you Tideview.”

– Family Member of Resident

The event was coordinated by the Recreation Staff, Elaine and Lisa, who ensured that the day went without a hitch. The dedication and compassion of staff at Tideview Terrace allows for events like Family Farm Day, one of the many ways that they go above and beyond to improve the happiness and quality of life of the people they care for.

Below is a collection of photos highlighting Family Farm Day at Tideview Terrace:

About Tideview Terrace

Tideview Terrace Home for Special Care is a not-for-profit organization located in Digby, NS. They are dedicated to enhancing the quality of life and growth of each member of their community. The care providers at Tideview Terrace follow the Eden Philosophy of care, focusing on emotional, intellectual, spiritual, and physical wellbeing through the best possible restorative and supportive care.

“The comfort of home, in the company of friends.”
